REISSUE DECLARATION AND POWER OF ATTORNEY

Sir:

As a below named inventor, I hereby declare and say  
that:

1. I believe that I am one of the original, first  
and joint inventors of the subject matter which is claimed in  
the subject reissue application and for which a reissue  
patent is sought on the invention entitled DISPLAY DEVICE

Claims 6-57 should be included in the patent. During the prosecution of U.S. Patent Application No. 08/479,000, which matured into the above-identified U.S. Patent, and during the prosecution of U.S. Patent Applications Nos. 08/396,066, 08/191,065, 07/705,720, and 07/218,203, which are parents of U.S. Patent Application No. 08/479,000, the inventors did not appreciate that Claims 6-57 could have been presented for examination. After that patent issued, it was noticed by an official of the Intellectual Property Department of Canon Kabushiki Kaisha, the assignee of the entire interest in the patent, that the invention as defined in those claims could and should have been claimed by the inventors. It was also noticed that minor errors appeared in the application, and that those errors could and should have been corrected as shown by the underlines and brackets in the present reissue application. All errors which are being corrected in the present reissue application up to the time of filing this declaration arose without any deceptive intent on my part.

6. I hereby appoint the practitioners associated with the firm and Customer Number provided below to prosecute this application and to transact all business in the Patent and Trademark Office connected therewith and direct that all

correspondence be addressed to the address associated with
